

Appl. No. 10/020,529
Amdt. Dated
Reply to Office Action of August 23, 2004

Docket No. EN11358
Customer No.. 27940

Amendments to the Drawings:

The Office Action (OA) objects to the drawings because the informal drawings, specifically FIGS. 2-12 are hard to read. The informal drawings were copies of grey-scale, shaded drawings. To address this objection, Applicants have attached formal drawings, FIGS. 1-12, to this amendment. Applicants respectfully submit that these formal drawings include no new matter, in that they are simply black and white, lined drawings of the shaded figures originally filed with the application.
